THE YEAR IN REVIEW

Grow Your Life Here!

For 59 years, Calvin Crest has provided camps and conferences for children, youth and adults. From the early years of work camps to build the infrastructure to the present day, each guest that attends an event at Calvin Crest has the opportunity to grow--grow in their faith, in their sense of self and in their community. Lives are changed at Calvin Crest because of the hard work of the staff, the generous contributions of organizations, churches and individuals to this work, and to the many group leaders who have joined the Calvin Crest Family.

We are so thankful to those who play such an important part of this ministry.

There are many stories that could be told. Stories of young campers who have grown up and feel that significant spiritual growth has happened here. Stories of summer staff who have learned to lead others in significant ways. And stories of guests who have been renewed through their time at an event at Calvin Crest.

With so many stories it is important to remember your own story and the role that you play in Calvin Crest's story. Thank you for your support and the ways that you make Calvin Crest a better place.

Through Christian stewardship and hospitality, Calvin Crest provides facilities and programming to experience personal enrichment and community growth through recreation and fellowship in a retreat setting.
